Pico Mini USB Drives

Introduction

Introducing the all new Pico Mini -- a fun new way to carry data. Pico Mini USB Flash drives are trendy and colorful, and hold up to 16GB of your favorite songs or full length HD movies. Barely bigger than your thumbnail, Pico Mini drives won't take up much space in your pocket, and they weigh less than 1.5 grams. Pico Mini drives are made with the same careful attention to quality details as our Pico family, which has captured over 80 press Awards to date. Choose from four splashy colors: Pink (2GB), Green (4GB), Blue (8GB) and Black (16GB).

Pico Mini-A Pink (2GB)
